BUZZHUBBARDS' LIFE LESSONS: RULE NUMBER 3

ART SPELLED INSIDE OUT IS RAT.

It's okay to be quarky. To hear a different beat.
To believe in a parellel universe. Just don't forget there is
a difference between unconventional and stupid.

BUZZHUBBARDS' LIFE LESSONS: RULE NUMBER 1

NEVER CONFUSE YOUR CAREER WITH YOUR LIFE.

Personal sacrifice on behalf of a job or company
sounds noble and worthy...
but is seldom noticed and never remembered.

BUZZHUBBARDS' LIFE LESSONS: RULE NUMBER 2

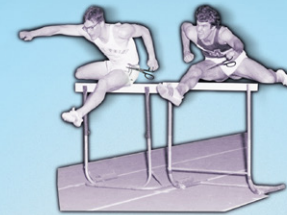

WORK BEYOND THE PARAMETER OF THE PERIMETER.

Extend yourself. Think outside of the big box that the little box came in. Be a Striver. Remember that none of the secrets of success will work unless you do.

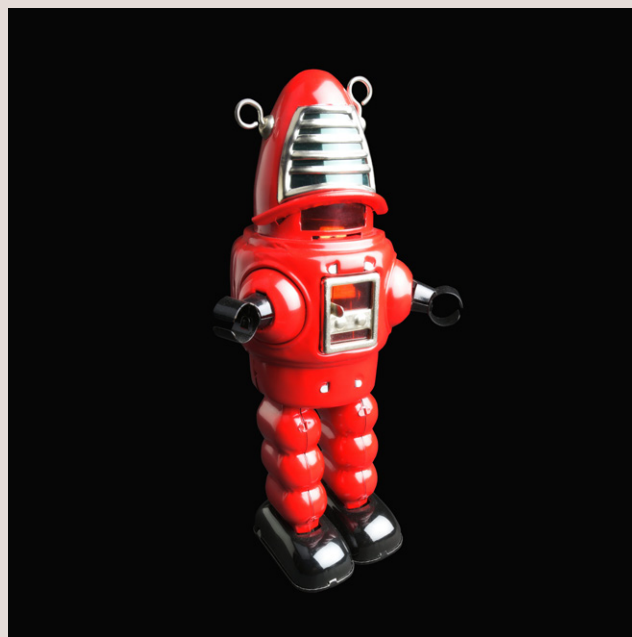

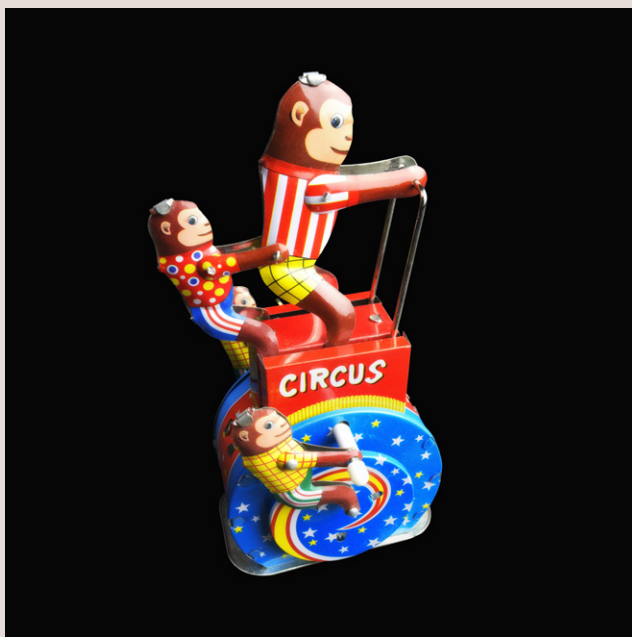

BUZZHUBBARDS' LIFE LESSONS: RULE NUMBER 4

RUN WITH SCISSORS.

Challenge yourself. Learn that there is a difference between doing something better and doing something different. Become dangerous.
